

Indulging in the now is the spirit of Mezepoli- brought alive in a no fuss urban dining experience that is at once chic and right on trend. It's about food of the moment, enjoyed in the moment.

Meze also known as Tapas is our signature style of dining - simple, fresh and flavourful, contemporary food that makes for the ultimate social experience. The plumpest of olives, delectable cheeses, the most flavourful stuffed vine leaves and sausages are just some of our defining delicacies.

Added to this, is a choice of other uncomplicated, World 'snack' food that echoes our character of 'here and now' - from the exciting flavours and colours of Spanish Tapas... to the freshest sushi of the East.

All our dishes are simple and paired down and flavours are unmasked and pure. This means every note of every ingredient can be savoured - while also making for easy mixing and matching of dishes to your liking.

Drawn from the passionate cultures of the Mediterranean, Middle East and Asia, Mezepoli dining is about simply loving the moment and taking time out to enjoy a glass of wine or a cocktail with meze.

We invite you to kick back and linger a while, while you experience and explore new tastes. Alternatively you'll be equally at home when you visit us for a quick cut - loose in a busy working day, enjoying a pita on the go.

Live the now...taste today at Mezepoli.
